Neat Bar - Collaboration System

Neat Bar is a compact and highly capable meeting device designed and engineered for Zoom.

The Neat Bar includes Camera, Speakers, Microphones and environmental sensors all in one compact design.

It's perfect for bringing superior-quality audio and video to your huddle, focus and meeting spaces.

Neat Bar comes with a dedicated Neat Pad Controller and optional Scheduling Display.

neat.

Simple Setup

All you need is in the box, including mounts, cables and clear instructions. So it's easy for anyone to install and set-up, above or below one or two screens.

Wall mount

Screen mount

Screws for mounting to the wall are not included. Mounting on a wall should only be performed by qualified personnel in line with applicable facility and state regulations. The wall and the mounting equipment must safely withstand the load of the product.

Neat Pad

Side mount

Wall mount

Mount adapter

Neat Pad

Hook the mount adapter onto the wall mount and secure with the hex wrench.

Mounting and Releasing

Mounting

Slide the Neat Bar onto the selected mounting option (1) until you hear a CLICK. Check if the Neat Bar is secure by carefully pulling it towards you.

Releasing

To release the Neat Bar from the selected mounting option, tilt the unit to maximum tilt (1) and carefully slide the unit towards you (2).

Warning: Do not leave the Neat Bar in a max tilted position with the red indicator showing as it is not secured by the lock spring.
